## **WORKING IN HARMONY FOR OUR CHILDREN!**

Would you like to become more involved in the fun events and activities your children experience through the music programs at their schools? Working with other parents and students through FHIMA is a great way to be a part of the fun and learning!

FHIMA is always looking for new faces and fresh ideas to make our children's musical endeavors the best they can be. No special experience is necessary – just a willingness to complete the job and have fun along the way. Why not join us and start making beautiful music with your children?!

**Volunteering is fun and a great way to meet other parents of band and orchestra students. Please complete this form if you would like to be part of the harmony!**
